Fall SEP-NOV

The local sweet spot: warm water into October, fewer people. Seafood Festival and month-long Fishing Rodeo.

Summer JUN-AUG

Peak season, warmest water, every activity going. Book ahead. July 4 fireworks. Biggest crowds and prices.

Winter DEC-FEB

Mild and quiet, too cool to swim. Holiday lights, Mardi Gras parade. Best deals and no restaurant waits.

Quick Tips

Book ahead in season for charters, cruises and pontoons.

Sun is intense off the white sand, reef-safe sunscreen and shade.

"Hook & Cook" your catch at a spot like Brotula's.

US-98 traffic backs up in summer, allow extra time.

Cash for tips for boat and pontoon crews.
